TAMRAC'S DIGITAL ZOOM 4 Model 5684

Smooth nylon lining does not collect dust or create lint.

Constructed of ballistic nylon.

Military spec. metal hardware secures removable shoulder strap.

Side Pockets hold a small phone, PC card or compact card reader.

Total coverage top provides quick access and complete rain coverage.

Dual Foam Technology™ combines closed-cell foam to provide maximum shock protection with open-cell foam for vibration dampening and a custom fit.

Easy Squeeze™ quick-release buckle assures security and fast access.

Patented* Memory & Battery Management System™ uses red flags to identify available memory cards and batteries.

Tamrac's Digital Zoom Packs

Tamrac's digital zoom packs each address a specific need of the digital SLR photographer. All digital zoom packs have Dual Foam Technology™ inside that combines closed-cell foam for maximum shock protection with open-cell foam for vibration dampening and a custom fit. The front pockets feature Tamrac's patented* Memory & Battery Management System™ which uses red flags to identify available memory cards and batteries from ones that are used up. Inside the front pocket, an additional Windowpane-Mesh™ pocket keeps extra accessories organized. Constructed of a super-strong ballistic nylon exterior with a smooth nylon interior, each can be conveniently carried using the EasyGrip™ carrying handle, shoulder strap, or on a belt.

*U.S. patent 683050B1
